

****Please print, complete info below and mail with your guard****

A tracing of your original guard is needed to compare to our various templates. In some cases, the actual original guard itself may be needed, even if broken, altered or warped, to create tooling from.

If nothing whatsoever of the original guard exists, please advise.

Please complete the following:

Your name: _____

Your mailing address: _____

Please provide the following information for the guard you have sent:

Brand name: _____

Model name: _____

Country of origin: _____

Year of manufacture: _____

What you want us to make – please note any deletions, changes to pickup routs or controls, etc. and the material number you want used on the new guard:

_____ **Material #** _____

A phone number and email address to contact you: _____

We suggest you insure your package against loss or damage and ship using a trackable method to:
